# Group Consultancy

Facilitator: Ian White

Mission and Ministry Consultant

---

---

## Group consultancy is about...

- Support
- Encouragement
- Advice
- Practical Help

(it is not about trying to sort somebody out!)

---

## Group consultancy processes...

- **Intrapersonal** – internal - what is happening within me?
- **Interpersonal** – between - what is the other person actually saying?
- **Extrapersonal** – external - what is going on outside the person that could affect the situation?

# Group consultancy practicalities...

## 45 MINUTES

- Individual presents for 5 minutes
- Group reflects back together for 5-7 minutes
- Pray for individual for 3-5 minutes
  
- Present clearly
- Listen deeply (no distractions / no technology)
- Ask questions to clarify only
- Contribute carefully
- Keep to time!

## WORK RELATED

- A challenging practical situation (child or young person)
- A difficult decision that has to be taken in relation to a member of your team
- A theological issue that you need to work through
- A confidence issue about abilities
